

GIFT CARDS or EVERYDAY SHOPPING !!

With "**scrip**" purchased from *Temple Beth El Child Development Center*, you can do regular or special shopping with **gift cards** from America's favorite retailers. For every dollar spent, a dollar is received on the scrip gift card of your choice. At the same time, TBECDC earns a cash rebate with each purchase.

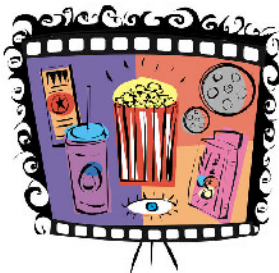

Scrip is convenient and efficient because revenue is generated for the Center through purchases families & staff already plan to make! *Candy, groceries, coffee, movies, flowers, dinner, and travel-related* can be purchased with scrip.

VALENTINE'S DAY is approaching soon, so please submit your order for your gift card order.

THANK YOU
for supporting TBECDC
without spending
an additional penny!
